Frequently Asked Questions (FAQ)

Flight Search & Booking

■ How do I search for flights on EcoWings?

Enter your departure city, destination, travel date(s), and number of passengers in the search form on the homepage, then click 'Search Flights'. One-way, round-trip, and multi-city options are available.

■ How do I book a round-trip ticket?

Select the 'Round Trip' option in the search form and fill in both departure and return dates. From the results page, choose the best combination and proceed to checkout.

■ How far in advance can I book a flight?

You can book flights up to 12 months in advance. Early bookings often come with special discounted fares.

■ Can I find last-minute flights?

Yes! Check the 'Last-Minute Deals' section to find flights departing within 72 hours at specially reduced prices.

■ Payment & Pricing

■ What payment methods are accepted?

We accept credit cards (Visa, Mastercard, American Express), debit cards, bank transfers, and digital wallets (Google Pay, Apple Pay). All transactions are secured with 256-bit SSL encryption.

■ Is installment payment available?

Installment plans of 3 to 12 months are available with partner bank credit cards. Eligible options are displayed automatically at checkout.

■ What is included in the ticket price?

The base fare includes cabin baggage (7 kg), seat selection, and in-flight refreshments. Additional baggage, special meal requests, and travel insurance may incur extra charges.

■ Why do prices change so frequently?

Flight prices are dynamically updated based on demand, seat availability, and time remaining before departure. We recommend completing your booking as soon as you find a fare you like.

■ Baggage Policy

■ What is the cabin baggage weight limit?

Cabin baggage must not exceed 7 kg and 55x40x20 cm in dimensions. An additional 3 kg personal item allowance (handbag, laptop bag, etc.) is also permitted.

■ How can I add extra baggage?

After completing your booking, purchase additional baggage allowance via the 'My Bookings' page or during online check-in. Pre-purchasing is significantly cheaper than buying at the airport.

■ Can I travel with sports equipment?

Special items such as bicycles, surfboards, and skis can be transported for an additional fee when declared in advance. Please select the 'Special Baggage' option during booking.

■ Cancellation & Changes

■ Can I cancel my ticket?

Cancellation rights depend on the fare type purchased. Flexible fares allow free cancellation, while economy fares may offer partial refunds or travel credit. Full details are in your booking confirmation email.

■ Can I change my flight date?

Date changes can be requested via the 'My Bookings' page up to 24 hours before departure. Fare differences and applicable change fees may apply.

■ What happens if my flight is cancelled?

In the event of an airline-initiated cancellation, you will be offered a full refund or an alternative flight. EcoWings will notify you by email and SMS and work with the airline to find the fastest resolution.

■ Account & Membership

■ Do I need an account to book?

You can book as a guest; however, creating an account lets you manage bookings easily, receive exclusive deals, and earn frequent flyer points.
